features & benefits

EPSON SMART-PANEL

An innovative interface, the Epson Smart Panel app[3] transforms your iOS® or Android™ mobile device into an intuitive control center for your Epson Expression Photo XP-980. This powerful tool makes it easy to set up, monitor, print, scan and more using your Epson printer, right from your hand-held device. With quick-configuration features, it offers easy product setup on your wireless network and automatically detects your printer. Customize the app to your own preferences and requirements.

PRINTING EXCELLENCE:

Bring your creative vision to life with the Expression Photo XP-980. From frame-worthy wall art and custom posters to vision boards and school projects, this all-in-one solution produces stunning wide-format prints up to 11" x 17" with 6-colour Claria® Photo HD inks.

BUILT-IN SCANNER AND COPIER:

High-resolution flatbed scanner for crisp, accurate scans and copies.

WIRELESS CONNECTIVITY:

The Epson Expression Photo XP-980 supports the latest wireless standard, IEEE 802.11 b/g/n/k/v/r[2] and includes Wi-Fi Direct®. Which means no router is required, providing users with greater coverage and faster speeds. You can use your Expression Photo printer from anywhere in your home and share it with multiple PCs.

SIMPLE NAVIGATION:

Navigating the printer menu is easier than ever with the 4.3" colour touchscreen LCD with gesture control. Making printing of photos, documents, reports, and presentations so much easier whether at home or on the go.
